Questions from **Grady King** for us to
individually think about.....

During our bible class and worship time with Grady King, he gave us some challenging things to think about throughout our transition period.

Conversations that matter.....

1. At what crossroad does Lamar Avenue find herself at this time in her history?
2. How are you contributing to the problem you are concerned about?
3. What price are you willing to pay?

To Our Guests...

We are blessed to have you here with us for worship today. Our prayer is that your time with us will be a blessing, and that you will find the worship uplifting. For families, we have a staffed nursery (ages birth-24 months) located in the back of the foyer. We also offer children's worship that will be dismissed during our assembly for children ages 2 through Kindergarten. You are welcome to worship with us anytime. For more information about our church family please stop by the Welcome Center (located in the middle of the foyer).
