Mountain Fork Christian Camp Basic Philosophy

MFCC exists for the purpose of providing a memorable Christian camp experience for area youth. We will strive to fulfill this basic purpose by the following means:

1. Providing a well balanced spiritual diet which includes: chapel periods, devotionals, class studies, gospel preaching, question and answer sessions, etc.
2. Providing a continuous Christ-like atmosphere and attitude among staff and campers.
3. Providing an opportunity for close Christian fellowship and basis for future Christian relationships.
4. Providing opportunity for individual counseling and group therapy concerning the problems and frustrations of the Christian youth.
5. Providing insight into the joys and blessings of a Christ-centered, Christ-controlled life.
6. Providing varied activities in the areas of physical development through swimming competitive sports, nature hiking, etc.
7. Providing a cabin setting which is conducive to a "Team Spirit" and all other objectives.
8. Providing the very best of staff members who love Christ and young people and are willing to sacrifice in order to accomplish the stated philosophy.
9. Providing an evident air of respect and communication between staff and campers.
10. Providing a total concept of unity (oneness) of purpose and commitment.

Limited financial assistance available for families with multiple members of the same household attending MFCC this year. Please contact John Loe for additional information.
